

## **Community Education**

PADA staff is available to discuss domestic violence and sexual assault issues with any size group. We have experienced staff (including bi-lingual) that can speak to community members, students, organizations and professionals. We are seen as experts on these issues at the local and state level. Some training topics we speak on include:

- Dynamics of Domestic Violence
- How Domestic Violence Affects Children
- Parenting after Domestic Violence
- Domestic Violence and the Law
- Sexual Assault and Sexual Abuse Prevention
- Dating Violence
- Violence in Marginalized Population
- Domestic Violence in the Workplace
